## 13A STYLE PLUG-IN POWER SUPPLY CASES

### 13A STYLE PLUG-IN POWER SUPPLY CASE

A battery eliminator style case moulded in black or white ABS with choice of either plastic or brass earth pin.

The two halves are held together by two self-tapping screws accessible from the 13A pin side of the case. Anti-tamper screw covers are provided to prevent easy access.

Solder spills are provided for direct connection to a transformer.

FEC Part No.	Type	Earth Pin Material	Colour	Overall Dimensions mm		
				A	B	C
301-681	PS5	Plastic	Black	79	50	53
