

MODEL 562 IMPACT DOT MATRIX PRINTER

ECONOMIC

Low cost, mains powered printer.

INTERNAL PAPER ROLL HOLDER

Easy paper replacement.

DUAL COLOUR PRINTING

Red and black

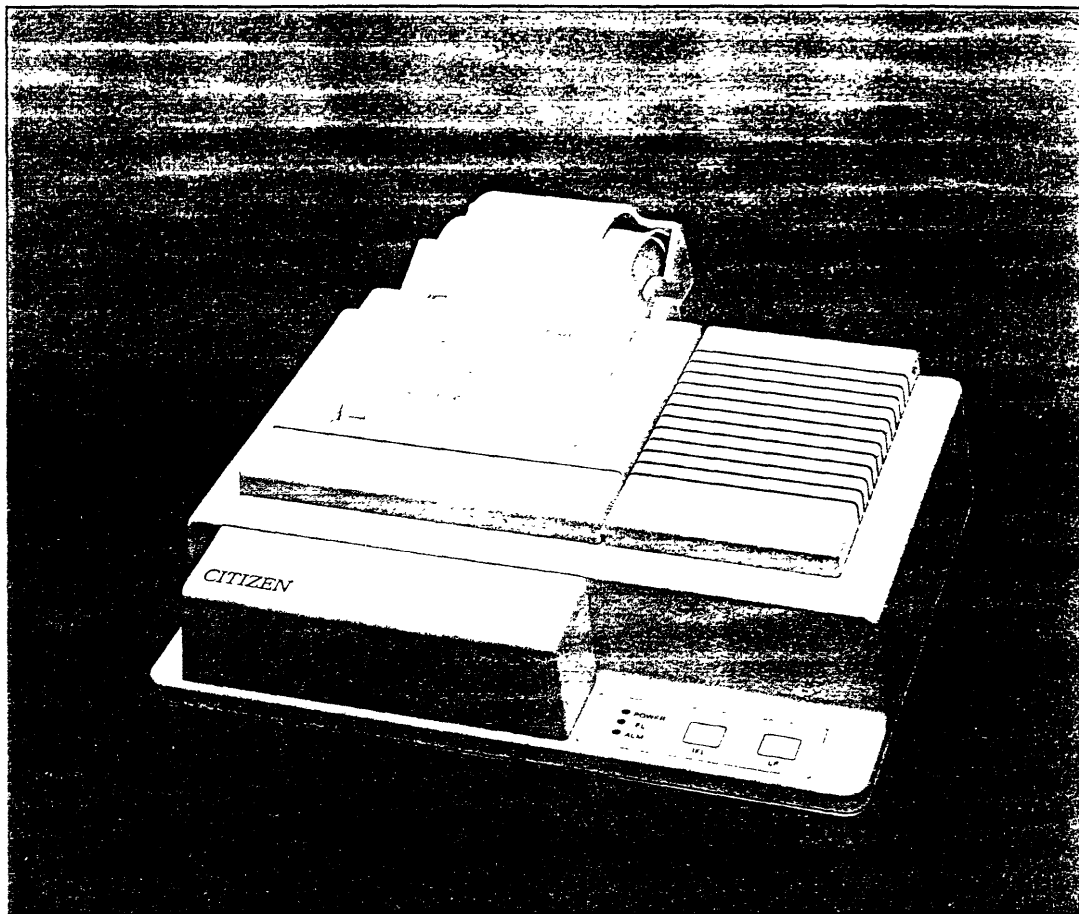

STANDARD INTERFACE

Serial: RS232C, TTL or 20mA current loop.

Parallel: Centronics

PRINT SPEED

1.6 lps

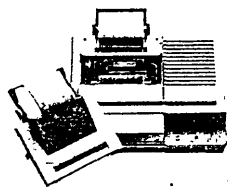

The 562 is a low cost, lightweight impact dot matrix printer which is ideal for use with all host systems and personal computers and is particularly suitable for issuing receipts and data recording.

Characters can be printed in red or black and the ribbon cassette is easily and quickly replaced. The printer uses standard 70mm width paper giving 40 column print capability.

MODEL 562 IMPACT DOT MATRIX PRINTER

MODEL	562	PAPER END DETECTION	None
PRINT METHOD	Serial dot impact	INK RIBBON	Red/Black, Cassette
PRINT DIRECTION	Left to Right	POWER SUPPLY	AC 100/115/230V 50/60Hz
FONT MATRIX	5 x 7	POWER CONSUMPTION	35W
NO. OF COLUMNS	40	WEIGHT	2.3kg
PRINTING SPEED	1.6 lps	EXTERNAL DIMENSIONS (WxDxH)	240 x 231.5 x 111.5mm
CHARACTER SIZE (HxW)	2.75 x 1.25mm	OPERATING TEMP. RANGE	5 ~ 40°C
LINE SPACING	5.5mm	STORAGE TEMP. RANGE	-20 ~ 70°C
CHARACTER PITCH	1.5mm	RELIABILITY	1.0 million lines
LINE FEED SPEED	6.2 lps		
PAPER WIDTH	69mm		
INTERFACE	Parallel: Centronics Serial: RS232C, TTL or 20mA current loop		
INPUT BUFFER	1 line		

APPLICATIONS

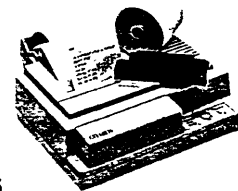

The 562's excellent price/performance ratio make this an ideal printer for use where applications demand a low cost printer solution.

Availability of industry standard interfaces allows simple connection to any host system.
