Adjustable Height Trolleys

- Durable ● Load Capacity 150 kg

- Strong ● Available in three colours

Please specify colour when ordering.

- Red ■ Blue ■ Green

All welded construction, these extra-strong tray trolleys are perfect for colour co-ordinating company departments, schools, hospitals or warehouses etc. Shelves are manufactured from 20 gauge steel with smooth rounded edges for extra strength, with the legs constructed from 14 gauge steel. The shelves are easily adjustable from 660 mm up to 1070 mm in 100 mm increments. The top shelf comes complete with a ribbed rubber mat to stop equipment from sliding whilst transporting.
