**After Sales Service**

Whilst Orion products have been designed and manufactured to a very high standard and have been subjected to rigorous quality control, regrettably problems can sometimes occur.

In the unlikely event of a manufacturing defect occurring during the first twelve months of ownership, your Dealer, Mail Order or Catalogue Company, from whom you purchased the product, will arrange for free-of-charge service to be carried out. However, as this may NOT include a home visit, please ensure therefore that you have received details of their respective service procedures and policy at the time of purchase.

Free-of-charge service covers the product for domestic use only, and does not cover any fault or defect caused by accident, misuse, lightning strike, fire or water damage, neglect, connection to an incorrect mains voltage or inadequate aerial installation.

None of the foregoing comments or statements affect your Statutory Rights as currently provided for by law in the United Kingdom.

If you have a problem with setting up or operating your Orion product, you can call the **Orion Helpline on 01923 244267**.

Please note. This is for operating problems and **not** for Service or Technical enquiries.
