712 Disposable Dust Mask

- Product Code: 2147121
- Brief Description: Moulded FFP1(S) & Nuisance Odour, valved dust mask
- Conformity: Meets the requirements of EN 149. EC Type Examination Certificate Number 1197, issued by BSi Product Certification, in accordance with the PPE Directive 89/686/EEC.
- Performance: Offers a nominal protection factor (NPF) of 4.5 x Occupational Exposure Standard (OES) for fine non-toxic dusts, fibres, fumes and aqueous mists. Also offers relief from organic vapours and gases below the stipulated OES.
- Instructions For Use: Mask must be fitted in accordance with the instructions supplied. Care must be taken to ensure that the correct mask type is selected for the work to be carried out. If in doubt as to the type of mask required seek professional advice.
- Cleaning Instructions: Not applicable - disposable product
- Maintenance: Store the masks out of direct sunlight away from chemicals and in a dry atmosphere.
- Limitations of Use: The mask, when in contact with the skin may cause allergic reactions to susceptible individuals. If this occurs leave the hazard area, remove mask and seek medical advice. Protection will only be offered if the mask is fitted correctly. The mask is not designed to be worn by people with facial hair.
