

Monitor Rack-Mount Bracket, 4U, for LCD Monitor up to 17-19 in.

MODEL NUMBER: SRLCDMOUNT

Durable VESA bracket allows rack mounting of a flat-panel LCD monitor in a 19 in. floor rack enclosure or open frame rack.

Features

Easy Mounting of LCD Monitors or Televisions up to 19 in.

This rack-mount monitor bracket is compliant with multiple VESA patterns, making it compatible with a wide range of retail LCD displays and touch-screen monitors up to 44 pounds. The SRLCDMOUNT supports LCD monitors up to 17 inches, which allows the display to fit snugly within a closed rack. If closing rack doors isn't an issue, simply reverse the rack-mount monitor bracket so that it's facing outward. With this configuration, the SRLCDMOUNT supports LCD monitors up to 19 inches. Compatible VESA mounting-hole patterns are 75 x 75 mm, 100 x 100 mm and 100 x 150 mm.

Includes Necessary Hardware for Mounting in 4U of Rack Space

This VESA bracket fits all EIA-compliant 19-inch open frame racks and floor-standing rack enclosures. It's made from durable cold-rolled steel with a black powder-coated finish that blends seamlessly with your rack décor. Rack-mounting hardware is included, as well as a convenient Quick Start Guide that walks you through the simple rack-mounting process.

2-Year Warranty and Environmentally Responsible Design

The SRLCDMOUNT comes with a 2-year warranty. It's manufactured in compliance with strict RoHS specifications, reflecting Tripp Lite's commitment to environmental responsibility.

Highlights

- Fits 75 x 75, 100 x 100 and 100 x 150 VESA patterns to match wide variety of displays
- Compatible with all standard 19 in. open frame racks and floor rack enclosures
- Durable cold-rolled steel construction designed to stand up to heavy use over time
- Rack-mounting hardware included for immediate installation
- Supports LCD and touch-screen monitors up to 17-19 in. and 44 lb.

Applications

- Install an LCD display in an open frame or floor rack to monitor essential server-room or console information
- Mount a touch-screen display for instant on-site operation and control of rack equipment
